2.6.2. Attainment of program outcomes, program-specific outcomes, and course

outcomes: - Outcome-based education system is being practiced for the undergraduate & postgraduate courses in the college. Course outcomes mean how students will be able to demonstrate knowledge and values after completion of the course. At the end of every semester course, outcome attainment is measured with PO/PSO. Each course has well-defined course outcomes evaluation criteria. The course outcomes are mapped to the program outcomes which are useful to provide the quantitative measurement of the program outcome achieved. The process of Program outcome assessment is based on the following methods: - Unit test, common test examination, End Semester exam performance, Assignment, Projects, Practical performance, Field study etc. by the students. Alongside these various methods, our college students are evaluated regularly based on their behavior in class, participation in college activities, class discussion, and overall class conduct. & Student feedback on Learning Outcome.

Program Outcome Attainment - Program outcome attainment measurements are identified to measure the progress of the students. The Assessment methods include Direct & Indirect methods.

Parameter: - I (Final Year Examination)

4 (Very Good): - 75-100 % of students successfully passed their respective courses in the Final Year Examination.

3 (Good): - 50-74 % of students successfully pass their respective courses in the Final Year Examination.

2 (Satisfactory): - 26-49 % of students successfully pass their respective courses in the Final Year Examination.

1 (Unsatisfactory): - 0-25 % of students successfully passed their respective courses in the Final Year Examination.

SN	Name of the Examination	No. of Students Appear	No. of Students passed in the exam	Result Percentage	PO Attainment Level

Program Specific Outcome Attainment Program-specific outcome attainment measurements are identified to measure the progress of the students. The Assessment methods include Direct & Indirect methods. The process of PSO assessment is based on the following methods: - Unit test, common test examination, University exam performance, Assignment, Projects, Practical performance, Internship, Field study, etc.

According to the below parameters, the attainment of Program Specific Outcome of the various courses offered by the college is measured.

Parameter: - I (Students Passing Rate)

4 (Very Good): - 75-100 % of students successfully passed the Year End Examination.

3 (Good): - 50-74 % of students successfully passed the Year End Examination.

2 (Satisfactory): - 26-49 % of students successfully passed the Year End Examination.

1 (Unsatisfactory): - 0-25 % of students successfully passed the Year End Examination.

Parameter: - II (Students First Class Rate)

4 (Very Good): - 75-100 % of students successfully passed in the Year End Examination with First class.

3 (Good): - 50-74 % of students successfully passed in the Year End Examination with First class.

2 (Satisfactory): - 26-49 % of students successfully passed in the Year End Examination with First class.

1 (Unsatisfactory): - 0-25 % of students successfully passed in the Year End Examination with First class.

Parameter: - III (Students Second Class Rate)

1 (Unsatisfactory): - 75-100 % of students successfully passed in the Year End Examination with the Second class.

2 (Satisfactory): - 50-74 % of students successfully passed in the Year End Examination with the Second class.

3 (Good): - 26-49 % of students successfully passed the Year End Examination with the Second class.

4 (Very Good): - 0-25 % of students successfully passed the Year End Examination with the Second class.

Parameter: - IV (Students Third Class Rate)

1 (Unsatisfactory): - 75-100 % of students successfully passed in the Year End Examination with Third Class.

2 (Satisfactory): - 50-74 % of students successfully passed in the Year End Examination with Third Class.

3 (Good): - 26-49 % of students successfully passed in the Year End Examination with Third Class.

4 (Very Good): - 0-25 % of students successfully passed in the Year End Examination with Third Class.

According to the below parameters, the attainment of the Program Outcome of the various courses offered by the college is measured.

Program Specific Outcome Attainment												
SN	Name of the Examination	No. of Students Appeared	No. of Students passed	Result %	Passed in first Division	Passed in II Division	Passed in III Division	Parameter I	Parameter II	Parameter III	Parameter IV	Average Attainment

Course Outcome Attainment Course outcome attainment measurements are identified to measure the progress of the students. The Assessment methods include Direct & Indirect methods. The process of course outcome assessment is based on the following methods: - Unit test, common test examination, End Semester exam performance, Assignment, Projects, Practical performance etc.

4 (Very Good): - 75-100 % of students successfully passed their respective courses each semester.

3 (Good): - 50-74 % of students successfully passed their respective course at each semester.

2 (Satisfactory): - 26-49 % of students successfully passed their respective course at each semester.

1 (Unsatisfactory): - 0-25 % of students successfully passed their respective courses each semester.

According to the below parameters, the attainment of the Course Outcome of the various courses offered by the college is measured.
