

## *Government Bilasa Girls P. G. College Bilaspur (C. G.)*

**1.4.1 - Structured feedback and review of the syllabus (semester-wise / year-wise) is obtained from 1) Students 2) Teachers 3) Employers and 4) Alumni**

**1.4.2 - The feedback system of the Institution comprises the following**

**A. Feedback collected, analysed and action taken made available on the website**

### **FEEDBACK ANALYSIS REPORT 2022-2023**

The Feedback Analysis Committee of the institution designs and collects feedback from its stakeholders to monitor and evaluate its performance quality on curriculum and curriculum related issues. The feedback forms were collected in Google Form from students, teachers, employers, and alumnae. The objective of this exercise is to measure the impact of all the efforts taken by the institution on various stakeholders and to improve the quality in all aspects.

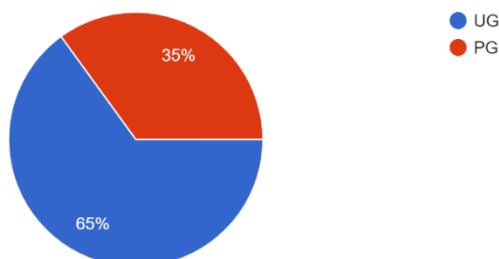

Every year, Feedback is collected and analysed. The college maintains an institutional level feedback report. This year Feedback on teaching – learning which includes curriculum, course completion etc. infrastructure facilities, library, sports activities, and co – curricular activities are received from the students and parents.

The suggestions and comments received through the feedback are duly communicated to the faculty members and committee members for further improvements if any in view of the vision and mission of the college.

In evaluating the central library 58.5% believes it to be more than adequate, and sports activities and facilities are also more than adequate according to 61.1% students.

### ACTION TAKEN REPORT

Suggestions	Action Taken
Short term courses to be offered	HODs and faculty members have been briefed about exploring courses.
Latest computer languages have to be included in the curriculum	More innovative courses were introduced and proposal for new courses by all departments were encouraged.

Suggestions to strengthen communication skills	Instructions were given and made them to participate in academic related programmes that helped them improve their communication skill
Teaching techniques and presentation techniques to be upgraded	Faculty members have been given feedback by Principal.
Class timing to be made compact	Concrete action cannot be taken in this respect due to less number of sanctioned staff and subject combinations offered.
More sports activities required	Sports teacher has been briefed
More variety in canteen	The canteen contractor was instructed to prepare a variety of fresh dishes
More number of books to be issued for more duration	3 books at a time are now issued for an increased duration of 2 weeks
Educational tours and picnics must be arranged	Educational tours are arranged as prescribed in syllabi. Picnics cannot be arranged due to large expenditure, safety concerns, and short number of working days in the semester system
Library materials are not adequate	More books have been added to the text books in library.
Reference books are to be issued	Reference books cannot be issued unless they are in multiple copies but need to be referred by students within library itself
Explanation with Power Point	Faculty members have been instructed to give more explanation while teaching with the aid of PPT
Students emphasized on more industry visits based on the courses	Formal instructions were circulated to all the constituent authority for addressing the issue of Organizing more industry visits periodically based on the courses conducted.
Strengthening of extra-curricular activities	Formal instructions were circulated to all the constituent colleges through competent authority to ensure the conduct of interdepartmental arts and sports competitions.
