15.Multidisciplinary / interdisciplinary

A Multidisciplinary Course, the term itself suggests is one in which one studies a number of subjects such as Science, Social Science, Mathematics, English, and so on. Environment Studies is a broad subject of study that includes components of Physics, Chemistry, Biology, Geography, Sociology, and Economics. It is not just limited to environmental protection and resource management. It also emphasises comprehension: Pollution types and their negative consequences on living creatures. Biodiversity, its forms, and the factors that contribute to its depletion. Deforestation and

strategies for increasing forest cover. Waste disposal and sewage treatment etc. Govt. Bilasa Girls P.G. College offers Environment Studies course to the Undergraduate first year students of all faculties. To implement multidisciplinary/interdisciplinary courses for the session 2022-2023, according to the guidelines of NEP- 20, proposal has been sent to the higher authorities.

16. Academic bank of credits (ABC):

The institution has applied to register under ABC in the Academic bank of credits (ABC) portal and consequently will help students to create their account in ABC to enable students to avail the benefit of multiple entries and exit during the chosen programme. The institution is in the process of developing a system for executing ABC. The curricula of PG programs and the UG program will be restructured gradually to credit system as per the guidelines of CG Higher Education Department and the Affiliating University and the policy related to ABC will be passed in the Academic Council and the Governing Body. Students are being updated and encouraged to register in online courses through various National Schemes like SWAYAM, NPTEL etc.

17. Skill development:

Skill development is important in the overall development of a student. ... Personal development Learning skills will not only increase the opportunities but will also empower an individual. Skills like networking and communication go a long way in aiding the overall development of a person. With the present industrial scenario, the recognition and advancement of skills development courses is a significant step towards better job profile prospects, and this goes hand in hand with industry requirements. Now that globalisation is on the rise, the expectations of professional candidates are on the rise. This can be achieved in part by focusing our efforts on industry-specific skills. Govt. Bilasa Girls P.G. College is offering skill development courses as an elective course in the undergraduate programme. It is mandatory for the students of sixth semester to choose one of the seven skill courses. The courses offered by the college are: Tally and Economics Bakery Basic of Writing Skill in English Urdu Writing and Speaking Translation Efficiency Fundamental of Computer Network security and Cyber Technology

18. Appropriate integration of Indian Knowledge system (teaching in Indian Language, culture, using online course)

Indian knowledge system is the domain of every subject. NEP emphasised the Indian knowledge system. It is not only spiritual but

contain mainly application-oriented knowledge system for all times. The foundation of the new education system will be Indian knowledge system. HEI is working in the same direction. It has bachelor, masters programme in Hindi and Sanskrit. It also offers PGDiploma in Yoga Science. Apart this programme, medium of instruction of the college is Hindi. The other core courses are also being taught in Hindi and English both to explain, sometimes the regional language (Chhattisgarhi) is also used by the faculty members.

19.Focus on Outcome based education (OBE):Focus on Outcome based education (OBE):

Outcome based education is being adopted by the institution. It is considered as an important demonstration tool for student-centered instruction that focuses on measuring student performance through outcomes. The emphasis of OBE system is on what the students are capable of doing and learning. Outgoing of the students is one of the key compound. faculty members develop an assessment plan in the process to measure the outcome of the students during their course of study and also after their graduation. The process involves in developing a constructive curriculum development and content delivery or teaching plan. Course outcomes are the statements indicating knowledge and skills the student is expected to acquire at the end of a course. Programme outcomes represent the knowledge, skills, and attitudes the students should have at the end of the programme. Pos can be directly measured through course outcomes. OBE enhance the traditional methods and focuses on what the institute provides to the students.

20.Distance education/online education:

E-learning platforms have emerged as one of the best measures to help the students continue their studies during COVID-19 outbreak. During pandemic covid 19 when online mode was left the only platform to communicate with the students, teachers left no stone unturned in using various video conferencing tools to reach out students and make education available at their door step. Teachers used online applications like Google meet, Microsoft Teams, Webex, YouTube streaming etc to deliver lectures, assignments, study materials and also for conducting tests. A separate video lecture portal is available in college website in which all teachers upload their lectures and study materials, students can access it anytime semester wise, paper wise or teacher wise.

CURRICULAR ASPECTS

1.1 - Curriculum Design and Development

1.1.1 - Curricula developed and implemented have relevance to the local, national, regional and global developmental needs which are reflected in Programme Outcomes (POs), Programme Specific Outcomes (PSOs) and Course Outcomes (COs) of the various Programmes offered by the Institution.

The Curricula of the institution is designed and formulated to meet the societal and Industrial challenges and the emerging trends. To fulfill this, the institute has taken major steps by reforming and reframing its curricula and also incorporating skill-based programmes. The local needs can be understood at two levels: 1) geographical, for example, city/town surrounding, and 2) language. Since the college offers all its programmes is to develop

the course/subject material which has relevance to the national and global developmental needs. The POs carry components from contribution to the existing body of knowledge to the acquisition of general graduate skills; for example, For PG programmes, the PO generally are mastery of the subject knowledge, learning teaching skills, preparation for higher studies and so on, and for UG programmes, PO can be understanding the course/subject concepts, learning effective communication skills, and preparation for higher studies. GBGPGC provide an opportunity to the students to acquire computer knowledge by courses like PGDCA, BCA, B.Sc Computer, B.Com Computer etc. Clinical Nutrition, Food and Quality Control are unique elective combinations where students can study nutrition.

2.2 - Catering to Student Diversity

2.2.1 - The institution assesses students' learning levels and organises special programmes for both slow and advanced learners.

Our main goal is the intellectual and all-round development of the girl students. Most of the Students are from rural background, so keeping in mind their environment and mental level, a conducive environment has been created for slow learner and advance learner at the college level. The advanced learners are identified by their academic performance and achievements. Special guidance and consultations are given to the advanced learners to secure high percentage of marks in Semester examination. They are prepared for

various competitive examinations by providing skills through question stage, speech, debates, co-learning, group discussion, project seminar etc. and are also motivated to get enrolled in certification courses. Slow learners are identified and earmarked based on their poor academic performance in the continuous internal assessment tests and classroom interactions. Faculty members constantly monitor and work on enhancing the performance of weak students by regular counselling and providing moral support to them and encouraging them towards study through peer tutoring. Remedial classes and doubt clear classes are arranged for backlog subjects if needed.

2.6 - Student Performance and Learning Outcomes

2.6.1 - Programme Outcomes and Course Outcomes for all Programmes offered by the institution are stated and displayed on the website and communicated to teachers and students

The college has stated graduate attributes and learning objectives.

To attain these attributes Programme outcomes (POs), Programme specific outcomes (PSOs) for all academic programmes are stated by

the Institute as per guidelines of NAAC.

Following attributes are included in the POs.

Knowledge outcomes

Skill outcomes

Values outcomes

POs and PSOs are designed to ensure complete and comprehensive learning about the program and courses as these are critical for the

successful career of the student.

The course outcomes identify the minimum achievement required for success in

the course. They are based on the principles of Knowledge,

Comprehension Application, Analysis, Synthesis, and Evaluation.

For each programme, PO/PSO and CO are designed through the following

process steps:

1) Head of department (HOD) consulted faculty and prepared the draft

version of the PSO and POs with the help of teachers, which are in

line with Graduate Attributes and Vision, Mission of the Institute

and department.

2) Views of alumni, employers are taken by head and teachers.

HOD

and department faculty analysed and expressed their opinion on the

revised PSOs and POs.

3) The process was continuously monitored by Outcome Based Education

Committee and finally were approved by IQAC.

2.6.2 - Attainment of Programme Outcomes and Course Outcomes as evaluated by the institution

The learning outcomes are ensured using assessment methods. The assessment methods are internal examination, external examination, seminar, mini project and major project evaluation, assignments and laboratory evaluation.

We offer Undergraduate, Postgraduate and Research programs and courses under the Faculty of Science Arts, Commerce and Science. The Programme outcomes, and course outcomes are evaluated by the institution by direct and indirect methods and considered Formative evaluation and summative evaluation.

Course outcomes are attained through direct and indirect methods.

Direct Attainment: We consider the following criteria in the direct attainment. Internal tests are conducted based on COs.

1. Class performance activities consisting of CIE/Formative assessment Like assignments / tutorials/experiments/quiz/any

other activity related to COs is conducted.

2. A common format of programmed excel sheet is used for finding the average attainment of Cos.

SCIENCE AND COMMERCE

For measure PO in direct method a CO/PO matrix is used to measure

PO. The CO are linked to the PO using the CO vs PO matrix as stated

in Course.

Indirect Method Calculation

This method is purely survey oriented, So the calculations are based

on data and surveys collected from the following

Current Passing out students

Stakeholders

Alumni

Survey from placement officers.

5.3.2 - Presence of an active Student Council and representation of students in academic and administrative bodies/committees of the institution

The institution facilitates students' representation and engagement in various academic, administrative and co-curricular activities through a Student Union Body that is elected/ nominated annually by active participation of all students. But due to the ongoing pandemic, as per the government directives, student union

was not formed in the year 2021-22. However, Student societies in each department nominated students as office bearers who coordinated with the teachers and students and assisted the department in promoting academic and extracurricular activities. Encouraging students' participation in administrative, academic, and extracurricular activities, facilitates developing various skills and competencies and foster holistic development. Students actively participate in several inter-college/ university contests that provide them with an opportunity to showcase their talents in music, dance, debating, dramatics, painting, photography etc. Students are also engaged in activities that foster the spirit of community responsibility. NCC, NSS and Red Cross units of the college have been actively involved in organising community welfare activities like social health awareness drives, cleanliness drives, health check-up and blood donation camps.

5.4 - Alumni Engagement

5.4.1 - The Alumni Association and its Chapters (registered and functional) contribute significantly to the development of the institution through financial and other support services

The college has a registered Alumnae Association. Alumnae engagement initiatives provide real-world connection to the college. They contribute significantly to the overall development of the institute through financial and non-financial support. The association, which comprises eminent politicians, businesswomen, Socialists, and professionals, is integrally involved and strives

towards academic growth of the college.

The alumnae play a key role in Academic collaborations Grant of scholarships, Donation of books and study materials, Infrastructure development, Societal contributions, and Cultural activities. The most notable involvement of the alumnae is by contributing their time in activities of the college and mentoring students. The alumnae are active participants in curriculum development and faculty enrichment programmes as well. The alumnae association has instituted scholarships and gold medals to meritorious students of the institute. Financially weak students also get assistance to meet their education expenses. Contribution of the alumnae in the form of donation of books and study materials has not only profited the students but also enriched the college and departmental library. Infrastructure development is another area of their active involvement. Aiming at all round holistic development of the students the association is also actively involved in the Annual Cultural Day celebrations of the college.

GOVERNANCE, LEADERSHIP AND MANAGEMENT

6.1 - Institutional Vision and Leadership

6.1.1 - The governance of the institution is reflective of an effective leadership in tune with the vision and mission of the Institution

The College functions in compliance with the directions given by UGC, Government of Chhattisgarh, and Atal Bihari Vajpayee University Bilaspur to which it is affiliated. The Institution, inspired by its vision of "Saa Vidya Ya Vimuktaye" charts out its perspective plan and implements it. The College ensures

decentralized and participatory governance. It emphasises on collaborative administration by incorporating all its stakeholders, Principal, Registrar office, Head Clerk, IQAC Co-ordinator, Controller of Examinations, Chief Superintendent of Examinations, Heads of various Departments, and Convenor of various cells. Students also participate in the governance of the Institution through effective representation through Student Council, and other committees. The Student Council acts as an interface between the administration and the students in curricular and extracurricular endeavours responsibly.

This hierarchical structure makes sure of delegating the power and allocation of responsibilities for the smooth functioning of the College.

6.1.2 - Effective leadership is reflected in various institutional practices such as decentralization and participative management

The leadership of the college has adopted a decentralized and participative style of functioning under which day to day governance is administered through Committee based decisions. Representation of teachers have been made in administrative committees and similarly participation of statutory officers of administration and finance were encouraged in academic committees to provide necessary inputs so that the decisions and/or recommendations arrived at such deliberations and meetings are converted into concrete action. The leadership of the college through periodical review meetings of various committees constituted for bringing improvement in the governance of the college activities monitored and brought substantial improvements.

The recommendations and reports of these specialized internal committees were subsequently considered and monitored by the University Authority bodies such as Academic Council for further implementation. Such steps gave clear goals and mission to the stake holders and brought a positive culture of belongingness among the faculty members, resulted innovation and vast

improvements in the Governance.

Admissions in the college are done through online mode. The college adopted service rules and financial rules as applicable to the Government of India institutions.

6.2 - Strategy Development and Deployment

6.2.1 - The institutional Strategic/ Perspective plan has been clearly articulated and implemented

The ability to address new changes and adapt to the needs of the current situation is the definition of good governance. The college recognizes the importance of having an e- governance system in place to coordinate the college's administration. E-governance is implemented in all elements of the college's operations, including the library, accounting, admissions, administration etc.

For example - Website: The website serves as an information hub for the college, including all of its events, major announcements, and course offerings, among other things. The college choose a different service provider/web designer for this reason. A Workshop/ Training program on Website redesigning, updating the data, and automation of the college website was organised on 7/5/2022. Administrative and teaching staff receive training on how to make crucial website upgrades. For the administration of the college website, a Website Committee is constituted. On a regular basis, the Committee oversees the process of updating, maintaining, and operating the website. The Committee also examines for any other website updates that are needed. The College strives to showcase its vibrant self and activeness through its website. All the important notifications have to go live on the website as and when they are released.

6.5.2 - The institution reviews its teaching-learning process, structures and methodologies of operation and learning outcomes at periodic intervals through its IQAC as per norms

The IQAC continuously reviews and takes steps to improve the quality of the teaching-learning process. Followings are the two examples of institutional reviews and implementation of teaching learning reforms facilitated by the IQAC:

Example 1: Preparation of Institutional Academic Calendar and Adhering to it for Conduction of all College Activities.

The academic calendar is the key synchronizing all the activities of the college throughout the academic session. Adhering to the Academic Calendar published by the university, the college prepares its consolidated Academic Calendar before the beginning of the session. All the activities to be conducted by each department with tentative dates and durations as mentioned in the Institutional Academic Calendar.

Example 2: Facilitate online Teaching-Learning Process.

Infrastructure plays significant role in the effective teaching-

learning process. To facilitate classrooms, the college has been consistently and continuously upgrading its infrastructure by doing new construction as well as modernizing classrooms and laboratories. Internet facilities in all departments and wi-fi connectivity made possible to conduct online classes. Faculties were motivated to make video lectures, PPT presentations, you tube lectures etc.

7.2 - Best Practices

7.2.1 - Provide the weblink on the Institutional website regarding the Best practices as per the prescribed format of NAAC

The Best Practices of the college:

1. Community Services

Community service is not just for students looking to fulfil their graduation requirements or for any volunteers looking to put a few hours in at the non-profit organisation of their choice. Community service is an extremely valuable activity that provides numerous benefits to not only the community but also to the students. Not only this makes a difference in the community, but it also provides with numerous benefits that can help aid both career and personal life of the students.

2. Online Digital Library

Learning Technologies plays a vital role in next generation learning and make high impact on higher education So rather than shifting to a "learn from anywhere" approach (providing flexibility), institution move to a "learn from everywhere approach" (providing immersion).

7.3 - Institutional Distinctiveness

7.3.1 - Highlight the performance of the institution in an area distinct to its priority and thrust (within a maximum of 200 words)

The institution aims at providing the education that develops a distinct environment of excellence in education and inculcating in them human values like truthfulness, honesty, independent and critical thinking, hard work, character building, capacity building and social commitment. Thus, the institution aims at enhancing the skills, qualities of leadership, confidence and holistic development of the personality of the students. The college organises the women empowerment programs for making them confident enough to struggle the battle of life. Special health related Seminars, workshops were organised and health check - up camps has been organised to find out the health issues.

Institution also instils in the students the sense of social responsibility through their extension wings like Units of NSS, NCC, which conduct several programs like tree plantation, cleanliness drives, traffic control, and awareness programs on environmental issues to inculcate the values and respect for the environment and its protection. These units encourage the students to participate and take initiatives to gear up the issues of ecological concerns. Our students have efficiently discharged social duties during the COVID-19 pandemic. They provided free tuition classes to students living in their neighbourhood, stitched & distributed masks.
