Proposal No. – 06

Acknowledgement of the Industrial/Educational Tour during the session 2024-25:

1. To organize Educational/ Industrial tour for students to fulfill the following objectives:
 - ✓ **Exposure to Career Paths:** Visits to companies, historical sites, research centers, or cultural landmarks will offer insights into possible career paths, helping students make informed decisions about their futures.
 - ✓ **Experiential Learning:** Students will engage in active learning through observation and hands-on experiences, which deepens understanding and improves knowledge retention.
 - ✓ **Networking Opportunities:** Educational tours often include interactions with professionals, industry experts, or researchers, offering valuable networking opportunities and exposure to mentorship.
 - ✓ **Cultural Awareness:** Especially for tours in diverse regions, students will gain a broader worldview, fostering cultural sensitivity, open-mindedness, and adaptability—essential skills in today’s globalized world.
 - ✓ **Team Building and Social Skills:** Traveling and exploring with peers will encourage teamwork, builds friendships, and strengthens communication skills.
 - ✓ **Inspiration and Motivation:** Seeing successful projects, companies, or experts in action can inspire students to aim higher and pursue their passions with renewed energy and ambition.
