TEACHER'S FEEDBACK REPORT 2023-24

1. Do you have any suggestions regarding curriculum delivery and documentation?

Suggestions Received:

- Provide students with new technology to enhance their learning experience.
- Classrooms need enhanced ICT facilities.
- Quizzes, group discussions, and tests can improve curriculum delivery.
- With the help of audio-visual aids, the delivery of tests and quiz competitions could be more effective.
- To engage students, use various teaching methods, such as collaborative projects, interactive lessons, and multimedia resources to cater to different learning styles.
- Facilitate social environments through active learning activities.

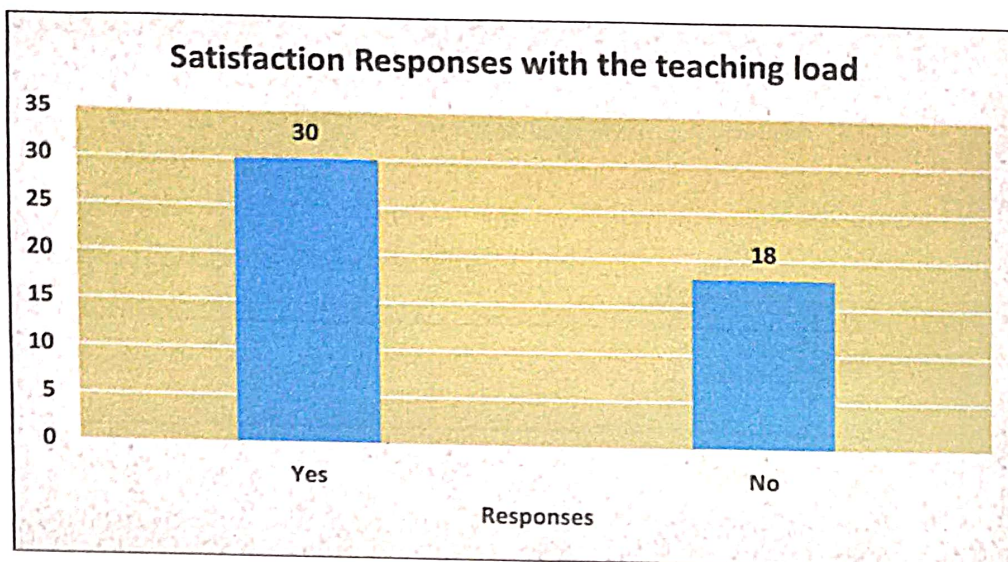

2. Do you have any suggestions regarding NEP courses related to your subject introduced in the college?

Suggestions Received:

- Focus on teacher training, development, and regular professional development.
- Skill development, building, and training should be included.
- More emphasis should be placed on communicative languages like English and Hindi. They should be compulsory subjects each semester, and more experts should be appointed.
- Study learning materials (SLM) should be prepared and made available on the website so that students can effectively implement the NEP course.
- Job-oriented courses like skill-based education and vocational training to prepare students for the job market.

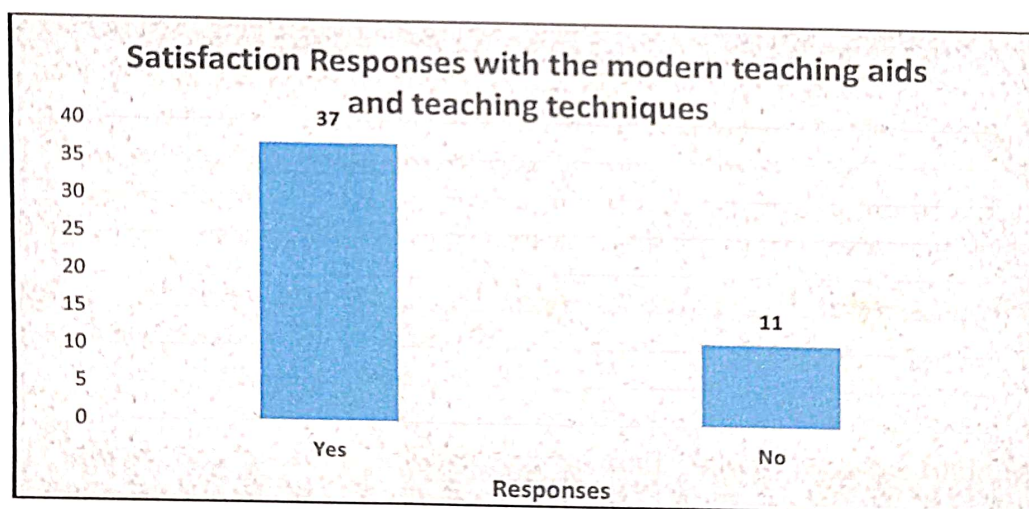

3. Are you satisfied with the teaching load? Is it as per UGC norms?

Response: Yes – 30, No – 18

4. Are you satisfied with the modern teaching aids and teaching techniques available in the institute? Give suggestions regarding the modernization of classrooms/ labs and teaching techniques.

Response: Yes –37 No – 11

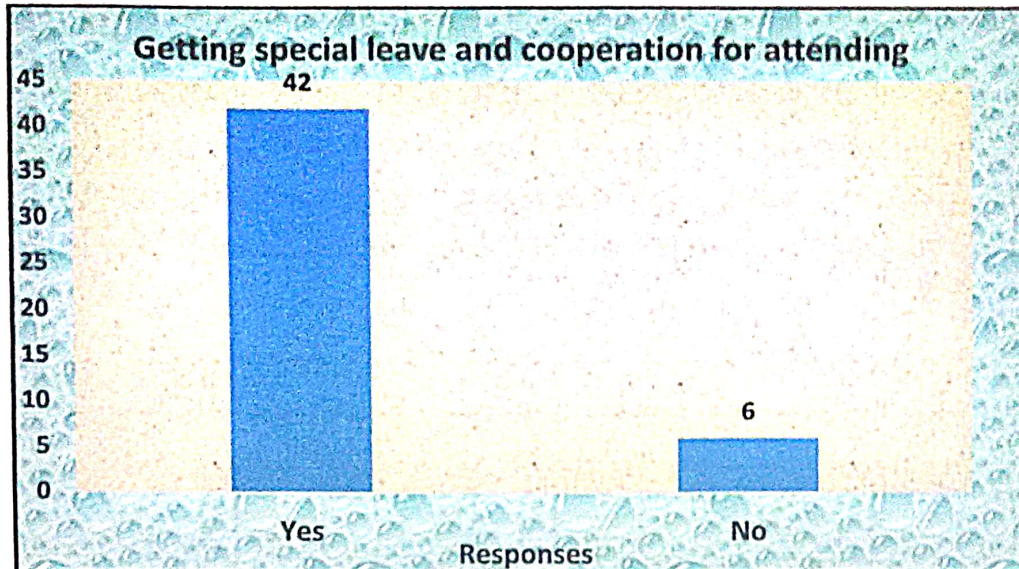

Suggestions Received:

- Modernizing the classroom into a smart classroom with interactive boards and other modern teaching aids, uploading YouTube lectures to the college website.
- An updated version of the computer and printer should be provided in the department.
- More labs are needed.
- Internet facilities are a must in every lecture hall.

5. Are you getting special leave and cooperation for attending seminars/conferences/workshops/refresher course/orientation program / Ph.D. works?

Response: Yes – 42, No – 6

6. Is there any assistance available for doing research work in the institute? Give suggestions regarding the upgradation of research facilities in the institute.

Suggestions Received:

- Need for reference books, magazines, journals and other instruments.
- A proper laboratory should be furnished, and more equipment should be provided.
- Enhanced data analysis/management system needed.
- Enhance research facilities by increasing the funding of advanced equipment, labs, and resources. Encourage faculty and student research through a grant mentorship program.

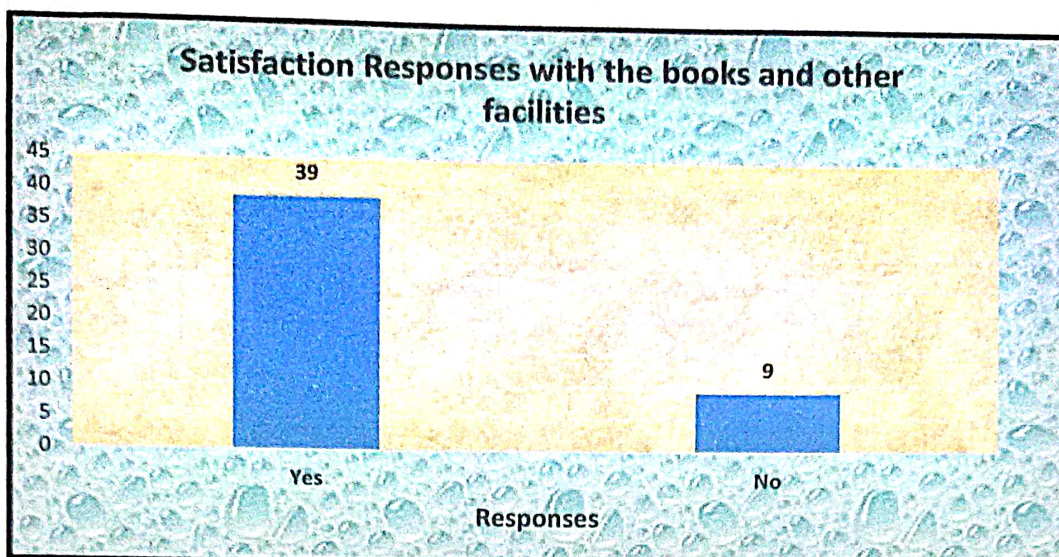

7. Would you suggest any new ideas regarding extension activities, collaboration, linkage activities, or best practices for the institute?

Suggestions Received:

- Collaboration with industry, research institutes or NGOs is recommended for better learning and practical exposure.
- Collaboration with agricultural institutes, i.e. universities, research centres, Krishi Vigyan Kendra.
- Encourage students to participate in research projects.
- Activity-related enhancement of academics and cooperation with society should be done.

8. Are you satisfied with the books and other facilities available at the library?

Response: Yes – 39, No – 09

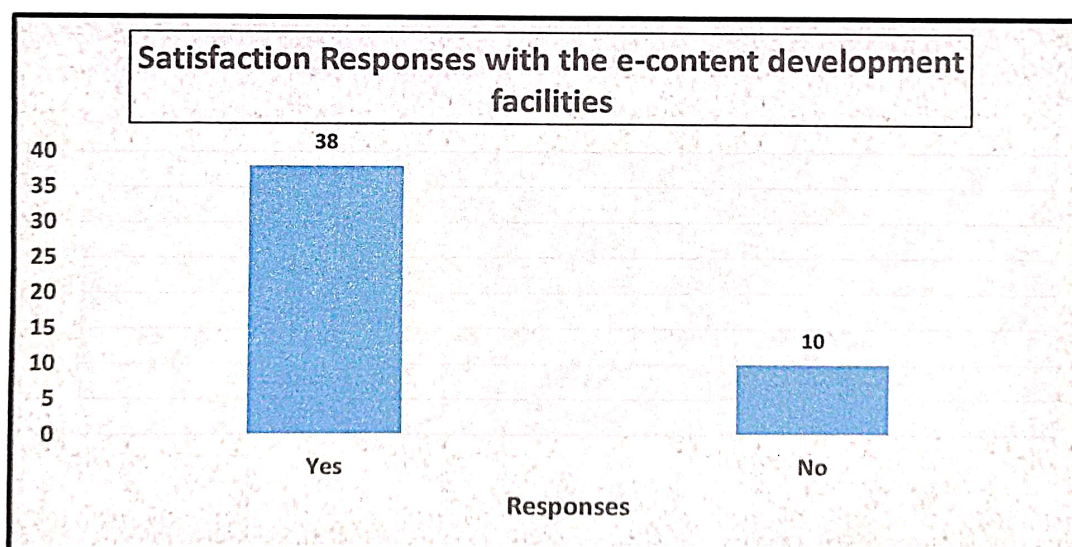

Suggestions Received:

- Latest reference books needed.
- More books for UG and PG students are required because the strength of students in our college is very high.
- Need to be improved with more variety of books, lab manuals and peer-reviewed journals.

9. Are you satisfied with the e-content development facilities in the college?

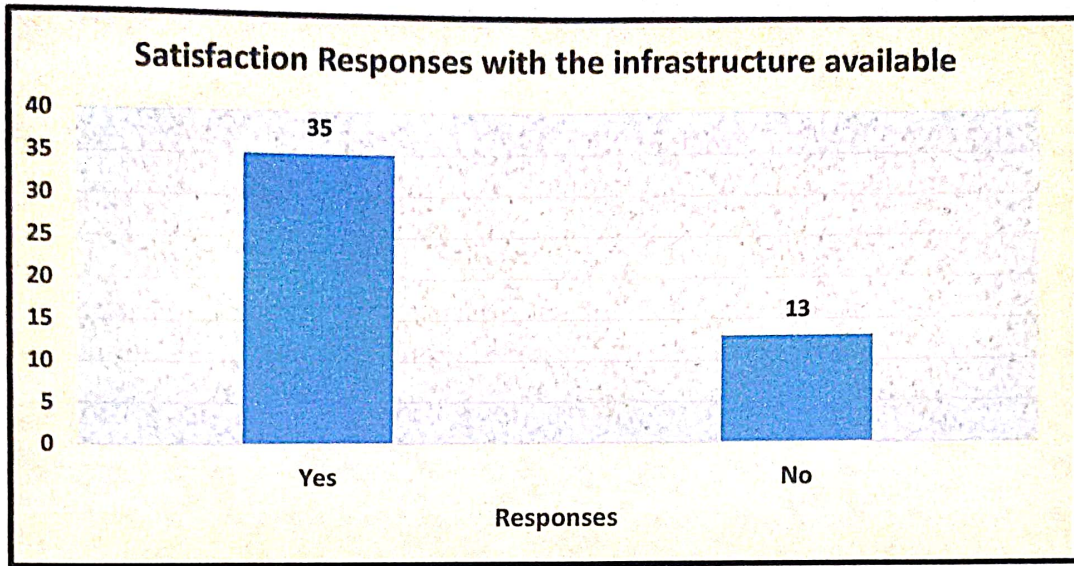

Response: Yes – 38, No – 10

Suggestions Received:

- More faculties are needed to teach and enhance e-content development, improving results.

10. Are you satisfied with the infrastructure available in the college for teaching and learning?

Response: Yes – 35, No – 13

Suggestions Received:

- Need to increase well-furnished departments and classrooms in the college for teaching and learning.
- Better facilities require toilet paper, fresher, and regular cleaning.
- Requires more classrooms.
- Due to the increasing number of students and the NEP syllabus, infrastructure is needed based on new technology.
