Student Feedback Analysis Report 2023-24

This report presents an analysis of student feedback collected for the academic year 2023-24. The feedback covers multiple aspects of college life, including the teaching and learning experience, classroom engagement, faculty behaviour, extracurricular activities, library resources, sports facilities, and other essential services

1 Teaching and Learning Environment

- **Overall Satisfaction:** 70.5% of students reported being satisfied with the teaching and learning environment.
- **Classroom Atmosphere:** 72.8% of students expressed satisfaction with the classroom conditions.
- **Faculty Support and Conduct:** 67.9% of students found faculty members to be courteous and encouraging.

2. Extracurricular Activities

- 66% of students rated extracurricular activities as adequate.
- Suggestions included increasing outdoor educational and recreational opportunities.

3. College Facilities and Resources

- **Central Library & Reading Room:** 75% of students rated these facilities as good.
- **Departmental Library:** Students found it satisfactory but suggested improvements.
- **Sports Facilities:** 81.8% of students considered these the best among available amenities.

4. Examination System

- The autonomous examination system was regarded as "good but in need of improvement."

5. Infrastructure and Amenities

- **Drinking Water Facilities:** Students expressed satisfaction, highlighting the availability of clean drinking water across various locations.
- **Biotechnology Lab:** Students suggested the establishment of a well-equipped biotechnology lab.

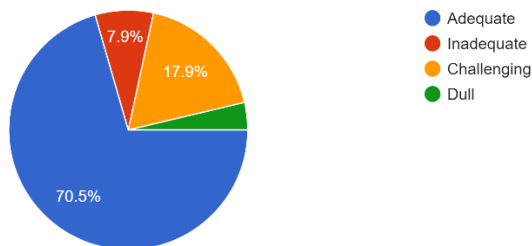

Student Recommendations and Areas for Enhancement

- Introduction of a **college uniform**.
- Increased **outdoor educational and recreational activities**.
- Recognition of **top-performing students** with awards such as certificates and medals.
- Strengthening **English language instruction**.
- **Enhancement of departmental library resources** for improved access and usability.
- **Improvements in the examination system** to enhance transparency and efficiency.

The overall student feedback indicates a positive perception of the college's teaching and learning environment, sports facilities, and drinking water availability. However, areas such as **the departmental library, extracurricular opportunities, examination system, and lab facilities** require attention. Addressing student suggestions, including **recognition of academic excellence, enhancing laboratory facilities, and expanding extracurricular activities**, will contribute to increased student satisfaction and development.

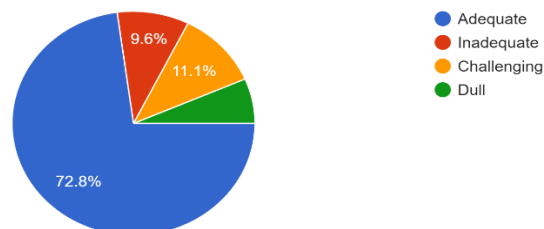

1. महाविद्यालय में अध्ययन/अध्यापन का वातावरण कैसा है ? How is the teaching/learning environment in the college?

648 responses
